

Three Methods of Compensation:

1 - \$1,000. Per self-generated sale of a new merchant account with a placement of a new lease terminal or POS – Point of Sale System.

Self-generated sales are paid on the Friday the same week the sales are completed. The weekly cut-off is Thursday 1:00 EST.

You will earn \$500 per company-generated or referral-generated sale of a new merchant account with a placement of a new lease terminal or POS – Point of Sale System. The company or client who referred the new merchant will receive the remaining \$500.

You will earn \$250 per self-generated, company-generated or referral-generated sale of a new merchant account without a placement of a new lease terminal or POS – Point of Sale System. The company or client who referred the new merchant will receive the remaining \$250.

2- \$150 Override per sale.

As an active Business Development Manager with RevShare, you will receive an override of \$150 for each new sale the Business Development Managers you have referred to the company make. Overrides are paid on the 25th of the following month, the new sales are made.

To be considered an active Business Development Manager there are only 2 criteria that need to be met, number of sales and persistency.

An active Business Development Manager with RevShare is defined as your closing 12 self-generated new merchant accounts the prior rolling quarter with a placement of a new lease terminal or POS – Point of Sale System in each. Or your closing 24 referral-generated new merchant accounts the prior rolling quarter with a placement of a new lease terminal or POS – Point of Sale System in each. And a persistency percentage of 80% for the prior rolling 12-month period.

Compensation continued...

3- Recurring Monthly Bonus.

As active Business Development Manager with RevShare, you will receive a monthly bonus for each active accounts you have sold throughout your consistent time with RevShare.

An account is considered active when it processes a minimum of \$6000 in the prior month. Or, has processed \$18,000 in credit card transactions the prior 3 months.

Recurring Monthly Bonuses are paid on the 25th of the following month, the processing activities are made.

Monthly bonus will be paid in accordance with the following minimum benchmarks:

Number of Total Active Clients You Have Sold	Monthly Bonus Paid Per Active Client	Your Monthly Bonus Earnings, Each Month
10	\$25.00	\$250.00
50	\$35.00	\$1,750.00
100	\$50.00	\$5,000.00
150	\$75.00	\$11,250.00
200+	\$100.00	\$20,000.00
